

Unit Name: **Mi-24 Hind-D** ( Helicopter (Single) ) | Call Sign: \_\_\_\_\_ Internal Damage Chart

Duty/History/Innovations: The fastest military helicopter in the world, the Hind D was the backbone of Soviet infantry close air support. Initially created as an armored infantry transport, this became its secondary role. Typical of Soviet equipment the Hind is heavy, bulky, overbuilt and lethal. Lacking in avionics compared to its counterparts, the Hind D is not capable of night sorties though still formidable. SOVIET
