

Unit Name: **Hind - M** (Helicopter (Single)) Call Sign:

Duty/History/Innovations: The Hind-M is the latest carnation of this historic line. Designed to either carry 12 light infantry or 8 heavy, the M can rapidly move people to the front, act as on site support, take on tank busting duties, all while calling in artillery. Two wing tip mounted machine guns have been added for even more firepower. The M's passengers can be assured they have the best transport the U.N. can muster.
