

Unit Name: **Mule-Transport** ( Tank (Hover) ) Call Sign: Internal Damage Chart

Duty/History/Innovations: The special design of the Mule allows the 24 Heavy Infantrymen to deploy and still be under cover of the massive shields that cover the sides of the unit. This version of the Mule line of transports is the pure transport version, sacrificing all but speed to assure that the most amount of people and equipment can be carried within it's hull. Transport is its only purpose. UNITED NATIONS
