

Unit Name: **Slingshot - RR** (Wheeled (6x6)) Call Sign:

Duty/History/Innovations: "I ask for the Cavalry and you send me Hamsters!" These were the words uttered by the Commander that first saw 15 Slingshots roll up as her reinforcements and where the Slingshots got their diminishing nick name. Her thoughts changed quickly when a "Bucktoothed Hamster" demonstrated it's combat worthiness by slicing through a 420mm plate of Chobam armor like it was butter
