

Unit Name: **Tiger Mark II** (Tank (Treaded)) Call Sign: Internal Damage Chart

Duty/History/Innovations: The Allies worst nightmare. The Tiger II had the most powerful cannon mounted onto a full traverse tank, and armor that most of the Allied tanks could not penetrate at point blank range. Luckily it was slow, and even luckier the Germans were only able to produce 489 of them. Had there been more Tiger II's the War may well have had a different outcome. AXIS/GERMANY
