

Unit Name: **M3A1 Bradley** (Tank (Treaded)) Call Sign: Internal Damage Chart

Duty/History/Innovations: The M3A1 Bradley is the latest incarnation of America's Infantry Fighting vehicle. It is amazing how durable and deadly this little vehicle is. It is not common to see a 25 ton vehicle take on tanks in the 60 ton range and do it with authority. The Bradley M3A1 is also able to act as a fast recon vehicle and is able to call in strikes for the enemies it can not handle on its own. AMERICA
